Subject: Maps ordered from David Henry

Dear Mr. Werner,

I am writing to let you know that we can e-mail you the maps you requested.

Also

one of the maps you requested "Survey of revised lots by Keneth Rembert dated Feb. 7, 2012, is not recorded in our office. There is another map you requested which is a repeat of the one above it, Map Vol 69 pg. 14.

To e-mail you the 3 maps would cost \$5 a map. To mail you the maps would cost \$5 plus postage.

Please let me know how you would like me to send you the maps.

Sincerely,

Jean K. Fugatt
